What Is Spirit And Soul?

Introduction

From The Time You Were Born, Whether Young Or Old, You've Heard Or Used The Words "**Spirit**" And "**Soul**" Interchangeably For Something Felt Deep Down Inside. *'My Spirits Are High, Or My Spirit Is Weak; I Mean It From My Heart And Soul, Or This Is Coming From The Depths Of My Soul'*. However, When You Use These Expressions, Do You Know What You Are Really Saying?

And Yet, On The Other Hand The Same Words "**Spirit**" And "**Soul**" Are Also Used When Speaking About Something Existing Or Lingering On After A Person Has Died, Which Is Referred To As **Ghosts** Or **Spooks**. When These Terminologies Are Used, Do You Actually Know What They Mean? This Is The Sole Purpose Of This Scroll, To Help You Overstand **Soul** And **Spirit** By Telling You What A **Soul** And **Spirit** Is Not. All Of The Interpretations Given To You By Various Religious Leaders Have Gotten Thousands Of People Caught Up In What Is Called **Spookism**, The Belief In **Spooks**, **Ghosts**, And **Goblins**,

What Is Spirit And Soul?

Things That Only Exist In Myths, Legends And Fables. Belief In **Spookism** Takes You Away From Reality Of Life's True Essence And The Real Truth Of Life's Existence. It's Time To Put Away These Myths And Legends And Deal With The Facts Of What A **Soul** And **Spirit** Really Is Which Brings Us To The First Question.

Ques: What Is A Soul?

Ans: The Word **Soul** Is Used More By Religious People Than By Anybody Else. It Is Religious Groups Like Jews, Christians And Muhammadans That Constantly Speak About A **Soul** And A **Spirit**, And What Is Sad Is That If You Look In Their So-Called Holy Books: Torah, The Old Testament (**Genesis 6:3**) And The New Testament (**Matthew 12:18**) As Well As The Koran (**Koran 4:171**), You Will See That They Mistranslate And Misuse The Word "**Soul**" Intentionally. The **Soul** Or **Spirit** Is Not Some **Ghost Like Apparition** Or Some **Spiritual Being** That **Paintings, Pictures, Statues** And **Television** Have You Thinking. So, If You're Looking For A Spiritual Being To

What Is Spirit And Soul?

Come Down From The Sky And Take You Somewhere, You Will Be Waiting Longer Than The People Who Have Been Waiting For 2,000 Years.

An Example Of How The Word "**Soul**" Has Been Mistranslated Can Be Found In **Genesis Chapter 1 Verse 2** And I Quote: "...And The **Spirit** Of God Moved Upon The Face Of The Water." Take A Look At The Hebrew Word **Rooakh** (רוח) Meaning, "**Wind, Breath, Mind**". Also In **Koran 70:4** Where It Says And I Quote: "The Angel And The **Spirit** Ascend Unto Him In A Day The Measure Where Of Is (As) Fifty Thousand Years." In Arabic The Word **Ruwah** (روح) Is Used Meaning, "**Breath Of Life, Soul**". Now This Is How The Confusion Starts. Why Would They Translate The Word **Rooakh** (רוח) In Hebrew Or **Ruwah** (روح) In Arabic As **Spirit** When In Actuality The Word **Spirit** Is **Nafs** (نفس) In Arabic And **Nephesh** (נפש) In Hebrew? Either It Was Deliberately Done Or The People Who Translated It Do Not Know The Language Nor Do They Know That There Is A Difference Between **Spirit** And **Soul** Themselves.

What Is Spirit And Soul?

Clarke's Bible Commentary Shows The Exact Point I'm Making Here. In **Genesis 1:24** It States, And I Quote: "And God Said, Let The Earth Bring Forth The Living Creature After His Kind..."

"Let The Earth Bring Forth The Living Creature, (נֶפֶשׁ חַיִּים) Nephesh Hayyum; A General Term To Express All Creatures Endued With Animal Life."

Clarke's Bible Commentary,
Volume 1, Genesis - Deuteronomy

Now In This Verse It Says "Living Creature" And Translates As Nephesh Hayyum (נֶפֶשׁ חַיִּים) In Hebrew. Here Clarke Is Uncertain Of The Correct Definition Of Nephesh (נֶפֶשׁ) Spirit And Rooakh (רוּחַ) Soul. Yet, In **Genesis 1:2** As Previously Stated, He Translates "**Spirit Of God**", Based On The Hebrew Word Rooakh (רוּחַ).

"The Spirit Of God: This Has Been VariouslY And Strangely Understood. Some Think A Violent Wind Is Meant,

What Is Spirit And Soul?

Because (רוּחַ) Ruach Often Signifies Wind, As Well As Spirit, As (πνεῦμα) Does The Greek."

Clarke's Bible Commentary,
Volume 1, Genesis - Deuteronomy

Also Lane Arabic-English Lexicon Defines Ruwh As:

(روح) The Soul, Spirit, Or Vital Principal; Syn. (نفس); (But There Is A Difference Between These Two Words, For They Are Not Always Interchangeable,...).

However, The Greek Translation Shows The Correct Definitions Of **Spirit** And **Soul**:

Psuch (ψυχή): Soul, Life Mind; The Breath Of Life; The Vital Force Which Animates The Body And Shows Itself In Breathing.

Pneuma (πνεῦμα): Spirit; A Movement Of Air (A Gentle Blaste); The Spirit, The Vital Principal By Which The Body Is Animated; The Rational Spirit.

What Is Spirit And Soul?

So, The Problem Of Overstanding The Difference Between **Spirit** And **Soul** Is Not From The Person Reading The Scriptures, It Stems From The Translator. Your Religious Leaders Are At Fault Because They Don't Know Any Other Languages And Therefore Have To Rely On These Mistranslations. Even If What They Read Doesn't Make Sense To Them They Will Still Relay It To Hundreds Of Thousands Of Their Followers Believing Without A Doubt That This Translated Scripture Is Correct.

Let's Further Examine The Word **Ruw** In Arabic From The Root **Raaha** (راح) Which Means: "It Was Violently Windy".

Other Derivatives Are:

Reeh (ريح)	(N.) Wind, Fast, Smell, Odor
Rayyah (ريح)	(Adj.) A Gentle Wind
Ruw (روح)	(N.) Breath Of Life, Soul

What Is Spirit And Soul?

Al Ruwh Al Quduws (N.) The Holy
(الروح القدس)
Soul

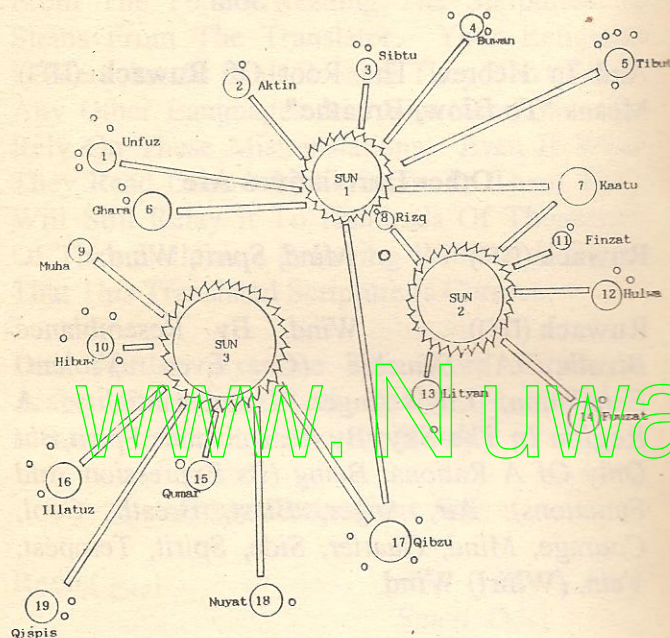

And In Hebrew The Root Of **Ruwach** (רוח) Means "**To Blow, Breathe**".

Other Derivatives Are:

Ruwach (רוח) Mind, Spirit, Wind.

Ruwach (רוח) Wind, By Resemblance Breath, A Sensible (Or Even Violent) Exhalation; Life, Anger, Unsubstantiality; A Region In The Sky; By Resemblance Spirit, But Only Of A Rational Being (Its Expression And Functions): Air, Anger, Blast, Breath, Cool, Courage, Mind, Quarter, Side, Spirit, Tempest, Vain, (Whirl) Wind.

In **The Book Of Ezekiel**, The **Spirit** That Took Ezekiel Up, Is The **Wind** From A Ship, The Mothership Called **NIBIRU** From **RIZQ**, The 8Th Planet From The 19Th Galaxy Called **ILLYUWN**.

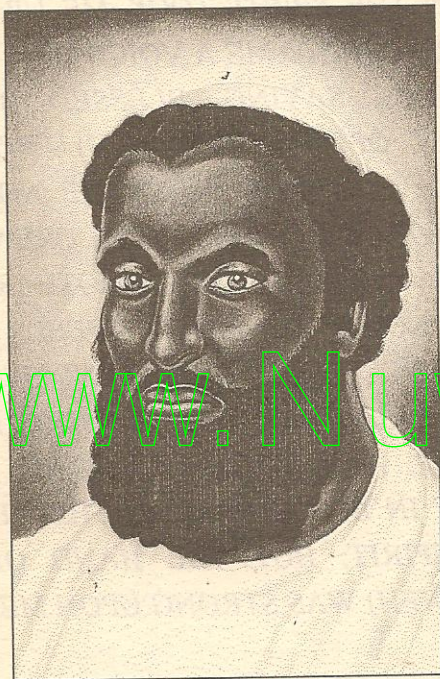

The 19Th Star Constellation Of Illyuwn

Ezekiel 3:12-14

"THEN THE **SPIRIT** TOOK ME UP, AND I HEARD BEHIND ME A VOICE OF A GREAT RUSHING, SAYING, BLESSED BE THE GLORY OF GOD (YEHWEH) FROM HIS PLACE. I HEARD ALSO THE NOISE OF THE WINGS OF THE LIVING CREATURES THAT TOUCHED ONE ANOTHER, AND THE NOISE OF THE WHEELS OVER AGAINST THEM, AND A NOISE OF A GREAT RUSHING. SO THE **SPIRIT** LIFTED ME UP, AND TOOK ME AWAY, AND I WENT IN BITTERNESS, IN THE HEAT OF MY **SPIRIT**; BUT THE HAND OF GOD (YEHWEH) WAS STRONG UPON ME."

Ezekiel

What Is Spirit And Soul?

As You Can See, Ezekiel Gave A Vivid Description Of The 24 Elders With The Four Living Creatures Traveling By Way Of An Incredible Aircraft. This Ship Was An Aircraft Made Through Utilizing The Body Forces From The Chakras To Break The Law Of Gravitation, Thereby Raising The **"Self"**. Being Done Together Made It A **"Mothership"**. Remember, The Crystal City (Or New City [Jerusalem] As It Is Called In The Book Of Revelation, Chapter 21 Is Also Called A **"Mothership"** Because It Houses Several Smaller Ships. People Have Seen It And Described It. Although They Saw The Same Thing, Their Description Was Different Because They May Have Seen It From Different Angles Or A Different Era Of Time. The Following Is How Ezekiel Described Things In His Time Because He Had No Knowledge Of Engines Or Crafts. Remember They Had Horses And Chariots.

Yesterday	Explanation	Today
Noise Of Great Waters, Whirlwind	The Sound Of Movement The Energies In The Body Illuminating, Radiating And Expanding In Increased Force	Engine, Aircraft, Flying Saucer, Ufo

Winds Are Also Mentioned In **Revelation 7:1** Where It Says And I Quote: "...I Saw Four Angels Standing On The Four Corners Of The Earth, Holding The **Four Winds Of The Earth...**" Which Are The Four Crafts From **NIBIRU** That Are Standing And Hovering Over The Four Corners Of The Earth Holding Back The Four Winds So The Earth Will Not Unfold From The Unbalancement Of The Gravitational Pull.

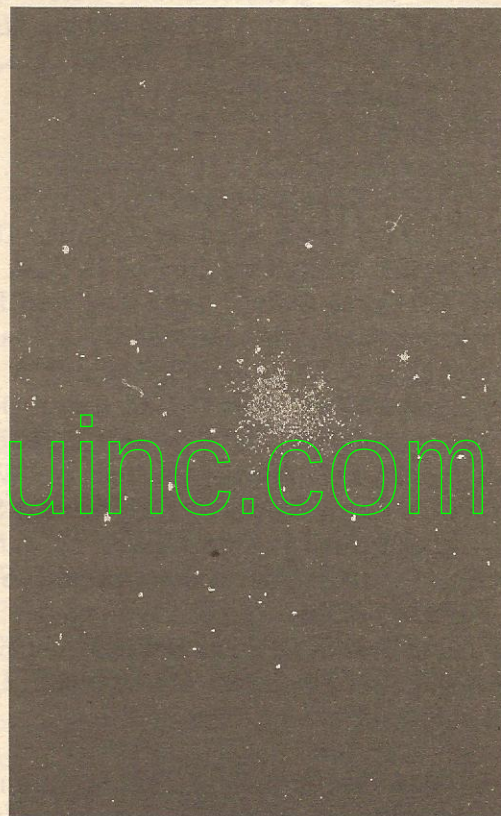

The Nibiru Ship

The **NIBIRU SHIP** Is Coming In A **Whirlwind**; That's The **Ruwh** (روح) Or **Ruwach** (רוח) That Everyone Thinks Is Going To Be Some "Holy Ghost". This Is Not The Same Ship Described In **Revelation 21:2** When It Says That "John Saw **The Holy City Coming Down** From God (Thehos) Out Of Heaven", But A Ship From **NIBIRU**. Let Me Just Point Out A Few Things Here Before We Go On. First Of All, In This Quote The Word They

What Is Spirit And Soul?

Translated As **"Heaven"** From Greek Is **"Ouranos"** (οὐρανός) Which Is The Greek Word For **"ORION"**. **ORION** Was Originally The 6Th Star Constellation Where The Beings Who Resided On **RIZQ** Had To Abort Their Planet And Go Because The Energy Field Was Increasing On Their Planet Making It Difficult To Live There. So What You Call **"Heaven"** Is Actually A Place, Not Anything Mystical Or Spooky. Now Let's Move On. The Next Thing Here Is That They Used The Word **"City"**. This **"City"** Was Actually **A Ship That Was As Big As A City**. And Don't Say That You Can't Imagine A Ship As Big As A City When They Have Been Showing Crafts Like This In Movies For Years; **"Star Trek"** And **"Star Trek, The Next Generation"**, **"Deep Space 9"**, **"Close Encounters"** And **"Babylon 5"**. They Just Don't Want To Admit That The **City** That They Describe Is **"A Big Flying Craft The Size Of A City, A Craft"**. So Now Let's See What This Quote Is Really Saying. It's Saying That John Saw A Craft As Big As A City Coming Down To The Planet Earth From The Star Constellation Of **ORION**.

What Is Spirit And Soul?

Star Constellation Orion

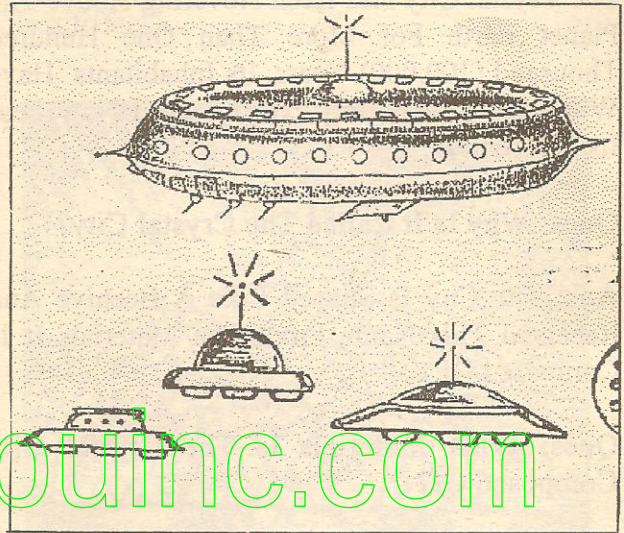

What Is Spirit And Soul?

The Sixth Star Constellation ORION, In Hebrew Is Kesiyl (כסיל) Which Means "Burly One" And In Arabic El Jubaar (الجيبار) Meaning "Mighty One".

And In **Revelation 21:3** It Says That "...God (Thehos) Is Coming Down To Dwell With Them..." You Mean God Is Coming Down From Heaven? What Kind Of God Is That, That He Has To Come Down? And You See From The Previous Verse **Revelations 21:2** That It's Talking About A Ship. So God Needs A Ship To Go Somewhere? And If God Came Down, Who Was Sitting On The Throne As Stated In **Revelation 20:11**? If He Was God, He Would Not Have To Come Down, Let Alone In A Ship, Right? That's Not My God (**Refer To Who Is God? Scroll #103, God Misinterpreted, Scroll #85**). My God Doesn't Need Anything. The One Thing That God Can't Do Is Become Less Than Himself (**Refer To Does Good Need Love, Scroll #109**).

So This New City Jerusalem That Is Coming In The End, Is In **NIBIRU** Coming, In A Whirlwind Which Is Nothing More Than A Current Of Air Whirling Violently Upward Resulting From The Craft In Motion.

What Is Spirit And Soul?

The Mothership Or Crystal City (Also Known As The New Jerusalem - Daarus Salaam - The Abode Of Peace). The Mothership Is As Big As A Small City On Earth Housing Many Other Smaller Ships. For That Reason It Is Called The Mothership. The Smaller Ships Are Called "Flying Saucers" Or UFO's By Mortals. The Mother Ship Comes From NIBIRU Which Is Bigger Than The Planet Earth.

What Is Spirit And Soul?

The Crystal City Has Been Hovering Above The Planet Earth For More Than One Hundred Thousand (100,000) Years. Its Inhabitants Have Witnessed The Earth's Creation And Now Fear Its Destruction.

Ques: Why Is It Called The Crystal City?

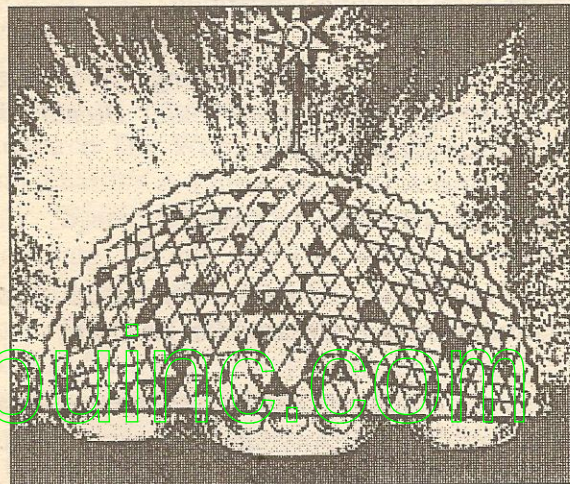

Ans: The City Is Shaped Like A Beehive And Received This Name From The Materials It Is Composed Of.

Ques: What Materials Is The Crystal City Composed Of?

Ans: This Great City Is Constructed Of Precious Stones Belonging To The Quartz Family. Stones Of This Kind Are Clear And Translucent Because Of The Light That Reflects From The Stones That Make Up Its Foundation. Upon The City's Transparent Crystal Clear Enclosure, People Who Have Witnessed It, Speak Of Amber And Green Colored Lights. Thus, The Crystal City Has Also Been Called **The Golden**

What Is Spirit And Soul?

Or Emerald City. This Gives A "The Sea Of Glass Effect".

The Crystal City

Ques: What Is Wind?

Ans: According To Webster's New World Dictionary, "Wind" Is Broken Into Three Sections And Is Defined As Follows:

What Is Spirit And Soul?

Wind 1 - To Turn, Or Make Revolve, To Move As By Cranking, To Coil Around Itself Or Around Something Else Winding; To Cover By Encircling Something.

Wind 2 - Air That Is Moving, A Strong, Fast-Moving Air Current; Gale, Breath Or The Power Of Breathing.

Wind 3 - To Blow, To Sound

Ques: Is Wind Always Generated From Something Or Is It Created On Its Own?

Ans: Yes, Wind Is Always Generated From Something, To Say Anything Otherwise Would Be Going Into **Spookism**. Nature's Wind Is Created From The Condition Of Air In Mountains And Valleys And The Condition Caused From The Earth's Rotation Revolving Around The Sun. **Wind Can Be Generated From A Breath, And Wind Can Be Generated By An Aircraft.** And No Matter Which Way You Choose To Define **Wind**, It Is Some Type Of Air Caused Or Coming From Someone Or

What Is Spirit And Soul?

Something. Again, **Ruwach** Or **Wind** Is Nothing Spooky Or Mystical About It.

Now If You Look Back At **Genesis Chapter 1 Verse 2**, This Same "**Wind**" Is Called "**The Wind Of God**" Which They Translate In Hebrew As **The Wind Of Eloheem**, And If You Research The Word "**Eloheem**" You, Will Find Out That It's A Plural And Not A Single. They Say "**Spirit Of God**" Which Would Properly Translate "**Wind Of The Gods**" Or **Elohim** (NIBIRU). When NIBIRU Hovered Over The Face Of The Waters Of The Planet Earth (TIAMAT), The Winds From The Ship Moved The Dust Particles That Was Blocking The Sun And At The Request Of The **ELOHEEM ANUNNAQI** Of "**Let There Be Light**" To **ANU** Who Made The Request To The **ETHERIANS** Because The Conditions Were Right For Life Again.

So Which One Is The Spirit? Is The **Rooakh** (רוח) - The Spirit Or Spiritual Being, Or Is **Eloheem** (אלהים) Of **Genesis 1:1** Which Is The Same Word In **Genesis 1:2**, Being Used As God? So Then The **Eloheem** Are The True

What Is Spirit And Soul?

Spirit And The **Ruwḥ** (روح) Is Motion Breeze And Wind. This Is The First Time We Encounter This Mistranslation And Misuse Of The Word "**Spirit**". From It Many Jews, Christians And Muhammadans Are Confused. They're Using **Spirit** And **Spiritual Being** Incorrectly. They Are Calling **Wind** - God And They Are Calling **God** - Wind.

Ques: What Does "Wind" Have To Do With "Soul"?

Ans: In **Genesis 2:7** Upon The Procreation Of Adam, **Yehweh Eloheem** Blew His Soul Into Adam, And I Quote: "...And Breathed Into His Nostils The Breath Of Life..." The **Soul** Is Called The **Breath** (**John 1:4, Koran 75:9**). And Now If You Recall, "**Rooakh**" Is Defined As "**Wind**" And **Wind** Is Also **Breath** As You've Previously Read. So The Lord God Or As They Translate In Hebrew, **Yehweh Eloheem**, Gave Him (Adam) The Breath Of Divine Life And Adam Was Born A Spirit. **Koran 32:9** Also States That He Blew From His Soul And I Quote: "*But He Fashioned Him In Due Proportion, And Breathed Into Him Something*

What Is Spirit And Soul?

Of His Spirit. And He Gave You (The Faculties Of) Hearing And Sight And Feeling (And Understanding): Little Thanks Do Ye Give!"

So The **Rooakh Soul** Is Likened To The **Wind** That Is Felt When It Blows, But Isn't Seen (**John 3:8**). The **Soul** Is The **Ether, Life Force** Within You And Is The Source Of Vitality Of Life For All Forms. The **Soul, Is Therefore The Nature Of The Inner Part Of Man.**

Ques: What Is A Spirit?

Ans: The Origin Of The Word **Spirit** Comes From The Latin **Spiritus**, Which Means "**Breath, Breath Of God, Inspiration**"; **Spirare** The Latin From Old Roman Meaning "**To Breathe**".

In Spanish, Which Is Derived From Latin, The Word "**Spirit**" Is:

A. Espiritu, Alma.

**Simon & Schuster's International
Spanish-English Dictionary.**

What Is Spirit And Soul?

B. Espiritu (Alma) Soul; (Mente) Intelligence, Wit.

C. Espiritu - Immaterial Being, Strength, Courage, Energy, The Purest Part Of One's Body i.e. The Spirit Of The Time, Poor In Spirit (This Definition Is Really Describing Soul).

The American Heritage La Rousse Dictionary

On The Other Hand The Latin Definition For Soul Is The Animating And Vital Principal In Man Credited With The Faculties Of Thought, Action And Emotion.

In Theology, Spirit Is The Spiritual Nature Of Human Being Considered In Relation To The Eloheem, Regarded As Immortal, Separable From The Body At Death, And Susceptible To Happiness Or Misery In A Future State. The Spanish Word For Soul Is "**Alma**" Which Bears Many Meanings:

What Is Spirit And Soul?

a. The Spiritual Element Of The Human Being From Where Overstanding, Memory And Will Comes From.

b. What Strengthens Something.

c. Principle Part Of A Person Or Individual. Central Part Void, Solid Of Something.

Encyclopedia Concisa Ilustrada La Fuente

As You Can See From The Spanish Definitions They Call "**Spirit**" Soul And "**Soul**", Spirit. When You Read Any Spanish Book You Will See That If They're Referring About Your Being They Speak Of The Inner Most Part Of You, It's Referred To As The "**Alma**" Or Soul.

If You Look The Following Definition For "**Mind**" You Will See It's Also Describing Soul.

Mind: The Human Conscious That Originated In The Brain And Is Manifested Especially In Thought, Perception, Feeling Memory Or Imagination.

What Is Spirit And Soul?

Second College Edition, The American Heritage Dictionary.

In Arabic The Word For **Spirit** Is **Nafs** (نفس) From The Root Word **Nafasa** (نفس) Meaning **"To Breathe, Inhale And Exhale, To Take A Breath, Pause For Breath, To Take A Rest."**

In Hebrew **Spirit** Is **Nefesh** (נפש). When The **Ruw** Comes From THE ALL, It's THE ALL. It's A Part Of THE ALL. When The **Ruw** Became Physical, It Became **Nafs**, The Spirit In The Body As Stated In **Koran 15:29** And I Quote: **"When I Have Fashioned Him (In Due Proportion) And Breathed Into Him Of My Spirit..."** The Same As In **Genesis 2:7** It States: **"And The Lord God (Yehweh Eloheem) Formed Man Of The Dust Of The Ground, And Breathed Into His Nostrils The Breath Of Life? And Man Became Living Soul."**

In **Koran 2:286** A **Spirit** Is Defined As, **Nafs** (نفس), **"A Person"**. The Same Word **Nafesh** (נפש) Is Used In Hebrew, And It Also Means, **"Your Personality"**. This Is Why The Word For Myself In The Arabic Language Is **Nafsi** (نفسى). The **Nafs** Is Merely **The Spirit** Which

What Is Spirit And Soul?

Is The Life Force That Exists In All Living Things, Even Plants. There Is No Spookism To It Like Some People, Who Want To Look Heavy In Religion, Would Like To Think; Anything That's Not Physical Or Tangible Becomes Eerie Or Unnatural.

Ques: Is The Spirit What Takes You To The Next Plane?

Ans: Yes, It Is The Spirit That Decides Whether You Move To A Higher Plane Or Burn Out Your Desire For The Physical Plane. The Person Who Has Strong Love For The Physical World Will Desire Rebirth Into The Physical Plane. Yet, The Spirit Fights The Urge To Remain Physical Satisfying All Physical Desires That Stem From Emotions.

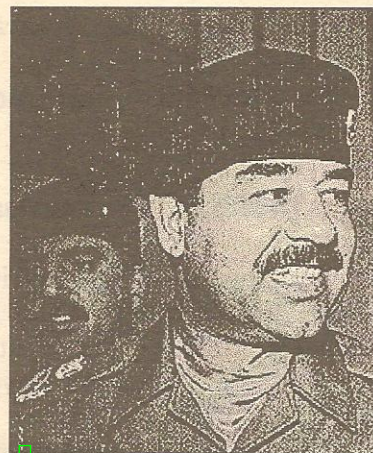

Ques: How Are Emotions Related With Physical Desires?

Ans: Your Desires Stem From Your Emotions. For Example You Have: 1. Sexual Emotions, Which Is The Desire For Satisfaction And Pleasure, 2. Then You Have The Gluttonous

What Is Spirit And Soul?

Emotions, Which Is The Desire For An Extreme Amount Of Food. 3. And You Have Anger Emotions, Which Can Result From Not Fulfilling Your Desires. And When You Don't Get These Things That You Desire This Sets These Emotions Into Motion. How? It Is These Emotions, If You Don't Get What You Want, That Makes You Angry, Makes You Fight, Or Even Makes You Kill. For Instance, Gluttonous Causes You To Over Eat, And Lead To Sickness And Diseases, Then To Obesity Which Can Lead To Death (Fat Around The Heart). Sex Causes You To Lust And Lead To Sickness And Diseases Which Can Lead To Death (AIDS). I'm Not Saying Don't Have Feelings, However, You Must Be In Control Of Your Emotions. Don't Let Your Anger Get You Into Trouble Because You Can't Control Your Mouth And Regret Once You've Killed Someone. Don't Let Your Sexual Desires Let You Take Chances You Wouldn't Normally Take And Regret Once You Have AIDS Not To Mention The Host Of Other Sexually Transmitted Diseases. When You Are Over Emotional You Can Get Into A Fight And Have Regrets Like Saddam Hussein.

What Is Spirit And Soul?

Saddam Hussain

Had He Controlled His Greed Of Wanting The Wealth Of Kuwait, He Would Not Be Out Of Water And His People Would Not Be Starving To Death. And There Is No Allah For Him (**Refer To Does God Help His Own? Scroll #99**). Or A Person Who Is Obese, Now Regrets That He Is So Fat That He Can Hardly Get Around And Have To Struggle To Breathe. So You See How These Emotions Lead To Other Emotions Like Fear And Regret And Unless You Are In Control Of Your Emotions, You Will Not

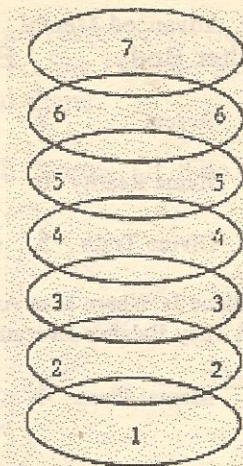

What Is Spirit And Soul?

Be Able To Overcome Your Physical Desires And Your Spirit Will Not Be Able To Encourage The Soul To Rise Into The Spiritual Plane.

Ques: What Is Meant By The Spiritual Plane?

Ans: When One Speaks Of The Spiritual Plane As Well As Other Planes, This Raises A Question. What Is A Plane? The Most Common Mistake Is Imagining Planes As Layers Lying One Above The Other In Space. This Is Incorrect. Everything Is Vibrations Which Manifest Itself In Different Moods And Schemes. The Best Way To Express Vibration Is Called Mood. Each Mood Makes Up What Is Known To Us As Planes. So Planes Are Moods And Schemes Of Vibrations Existing In Very Unique And Unified Forms And May Be Liken To Varying Degrees Of Temperature Such As Extremely Low, To Extremely High. The Natural Mood Of Vibration Ranges From Very High And Fast To Very Low And Slow And Are Distinct And Intricate Moods Of Vibration Woven Into One Another So Uniquely That One Cannot Determine Where One Plane Begins And The Other Ends.

What Is Spirit And Soul?

The Seven Planes

Nothing In Existence Rests. Every Sense Man Has Vibrates And Everything You See, Hear Or Touch Vibrates. Vibration Is What Keeps The Universe In Order. The Soul Is What Enables Man To Tune Into These Vibrations Of The Universe. Man Vibrates On The Alpha Wave Length Which Is The Middle C Note In Music. This Note Causes Vibration Within The Chemistry Of The Body Itself. There Are Seven Planes And Each Plane Has Its Purpose As All Things Has Its Purpose, Just As You Have A Purpose For Being Here.

The Seven Sub Planes Of The Material Plane
Are:

Mental Channels
Down To You
Through A Etheric
Cord.

All Of Humans Thoughts Are Coming Out Of
A Reservior Of A Mental Bank Called A
Mental Reservior.

- 7 4th Ether : Mental Reflecting
- 6 3rd Ether : Light Ether
- 5 2nd Ether : Life Ether
- 4 1st Ether : Electric Ether
- 3 Gases : Dense Physical
- 2 Liquids Or Chemicals
- 1 Solids Region

Physical Beings Vibrate On **Naasuwt** 1.2.3. **Naasuwt** Is 1.-Solid, 2.-Liquid, And 3.-Gas. You As A Physical Being Have A Spirit In It, And The Spirit In You Descended Down From Etheric, The Physical You Descended Down Into A Physical Body.

The Etheric Beings Travel Down And Materializes Into The Body. The **ELOHEEM ANUNNAQI** Are Living In The Realm Of **Malakuwt** Which Is The 4th Plane. **Malakuwt** Is A Pathway That Spiritual Beings Come Into. Spiritual Beings Can Travel. Some Extraterrestrials Vibrate On This Realm And Start Going Up Higher. When The Spiritual Beings Reach The 4th Realm, Then They'll Decide To Come To The Physical Plane.

What Is Spirit And Soul?

For Example In Order For An Eloheem Anunnaqi To Become A Spirit, So As To Leave The Stage Of Soul And Personify, The First Appearance Is The Crystalization Which Gives The Etheric Body Or What People Call A Spirit Form. Then If They Continue To Slow Up In Vibrations, They Start To Take On The Forms Of The Magnetic Currents That Surround The Earth's Atmosphere. Finally They Become A Physical Body Governed By A Synthetic Nervous System Which Is In Tune To The Magnetic Force Field That Surrounds The Planet. So, Man Is Basically In Tune With Magnetism; That's What Keeps His Physical Composition Together.

If All The Magnetic Forces Were Released On The Physical Plane All The Elements Would Explode, All The Molecules Would Increase Their Speed And Vibrated Rapidly And Human Beings Would Transform From A Physical Being To A Spiritual Being. However, Human Beings Are Caught On 1,2,3. Your World Is A Three Dimensional World. You Have To Move Into The 4th Plane.

SOUL ASCENDING

This Is Just To Show You The Two Realms Are Inside Out And Visa-Versa. Because At One Time The Soul Descends Into Man And Man's Soul Also Has The Ability To Ascend Back To The Divine.

Also The Spiritual Plane Makes Us Aware Of Our Inner Senses Which Is Why You Make Statements Like "My Intuition Tells Me", "I Have A Hunch", "I Have A Very Strong Feeling", Woman's Intuition. These Responses Stem From Secondary Senses That You Once Had Corresponding To The Senses Of The Physical World. The Physical Senses Of Hearing, Seeing, Feeling, Have Spiritual Counterparts By Which The Spiritual Body Receives Impressions.

According To Your Leading Science Books You Have Five Senses. Actually You Had Seven "See", "Hear", "Touch", "Taste" Is A Sense Of Touch Because Matter Touches Taste Buds And "Smell" Is A Sense Of Touch Because Particles Touch Nerves That React To Smell. And You Did Have The Four Higher Original Senses Which Are: "Telepathy", "Intuition", "Psychometry", And "Clairvoyance".

1. **Telepathy** - Mental Communication - The Transferring Of Thoughts From One Being To Another Without The Use Of Words Or Wires.

2. Intuition - The Quick Perception Of Truth By The Mind Without The Intervention Of Any Process Of Thought.

3. Psychometry - Object Reading, The Ability To Identify Or Tell Something About An Object By Picking Up Thought Waves Implanted By Someone Previously Associated With The Article.

4. Clairvoyance - Clear Sight To See Into The Other Dimensions. Second Sight - - An Awareness Of Distinct Objects And Events.

These Are The Senses That Allowed You To Be In Direct Contact With The **ELOHEEM ANUNNAQI** At All Times And At Random. However, You Lost Your Ability To Have Random Access To Them With The Removal Of **THE BARATHARY GLAND**.

THE BARATHARY GLAND Is The Organ That Gives You The Ability To Use Your 4 Higher Senses Which, When Active, Has The

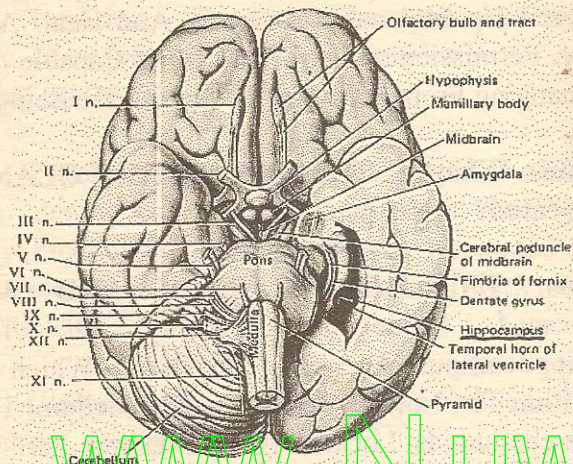

Ability To Foresee The Future And The Past; Speed Up Molecules, Levitate, And Heal. And By Permission Only, You Were Capable Of Changing From A Mortal To An Etheric Being.

Ques: Where Is THE BARATHARY GLAND Located?

Ans: THE BARATHARY GLAND Was Located Inside The Cavity Of The **Hippocampus** Area Of The Brain, Which Is Within The Lower Part Of The Cerebellum. The Cerebellum Is Located At The Lower Part Of The Brain And Is Attached To The Brainstem. The Hippocampus Is The Tissue Which Held **THE BARATHARY GLAND**.

You No Longer Have A **BARATHARY GLAND** Because It Was Removed Leaving Only Portions Of The Gland Left On The Nerves So That The Nerve Would Not Be Damaged.

What Is Spirit And Soul?

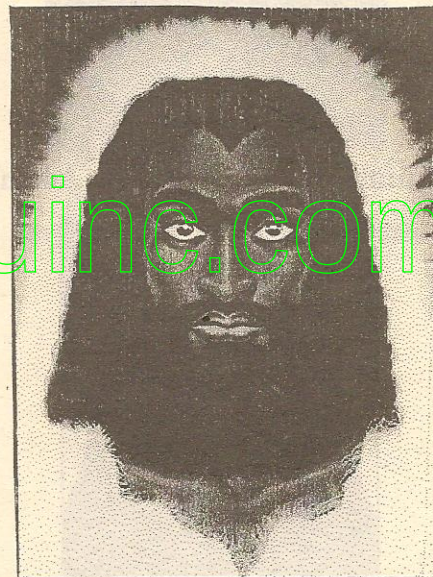

Hippocampus Where THE BARATHARY GLAND Resided

Ques: Why Was THE BARATHARY GLAND Removed?

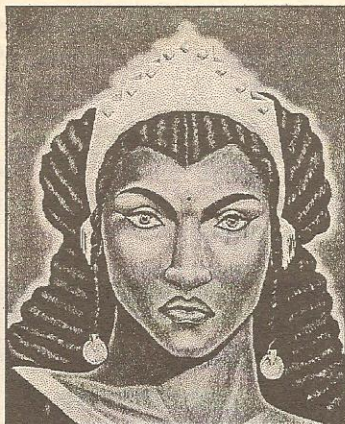

Ans: The Barathary Gland Was Removed Because Adam, Being From The Disagreeable Tribe Called Cuthites, Disagreed With Hawwah's Decision For Their Son Seth To Be In The Image And The Likeness Of The ELOHEEM

What Is Spirit And Soul?

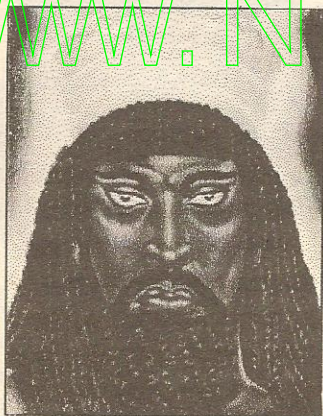

As Stated In *Genesis 4:25* "And Adam Knew His Wife, And She Bore A Son, And Called His Name Seth; For God Said She Has Appointed Me Another Seed;..." Adam Was Upset Because The Incident With Cain Slaying Abel In *Genesis 4:8* Was Just An Experiment To Test Their Natures.

The **ELOHEEM ANÜNNAQI** Were Scientists And Were Testing The Competency Of These Beings Because They Were Trying To Breed "A God Of All The Gods" Called **Ab-El** (אַבֶּל) Or "FATHER OF THE EL'S".

So Adam Decided That This Son Seth, Would Be In His Own Image And Likeness In *Genesis* 5:3 Where It Says And I Quote: "*And Adam Begat A Son In His Own Likness After His*

Image And Called His Name Seth.", And Not The Image And The Likeness Of The **ELOHEEM** As Originally Intended (*Genesis 1:26*).

**Seth Son Of
Zakar (Adam) And Nekaybaw (Hawwah)**

When Seth Was Born, His **BARATHARY GLAND** Was Removed Because Seeing Man's Rebellious Nature, The **ELOHEEM ANUNNAQI** Did Not Want These Powers To Be Misused. With The Intellect That You Have

Now, You Are Using It For Destruction, Creating Bombs And Guns. If A Person Could Levitate He Would Be Saying "*Look At Me, I Can Levitate*". Look At The Psychics And Palm Readers Who Are Using The Little Power That They Have Left To Make Money. You Can Say No You Wouldn't Do This, But You Can't Actually Say That For Sure Until It Happens. You Would Have To Prove Your Sincerity Before It Is Returned To You, But The **ELOHEEM ANUNNAQI** Would Have To Show You How To Use It And Have Control Of It.

For The Proper Channels To Be Activated So That This Power Can Become Active, It Has To Be Exercised Through Meditation, Proper Diet, Discipline And Certain Daily Rituals Which Will Attune You With Your Natural Supreme State In Which Human Beings (Homo Sapiens) Was Originally Created. With This, Homo Sapiens Were Given Certain Faculties Which Enabled Him To Keep In Tune Through His Glands Which Are Located In Seven Areas In The Body:

What Is Spirit And Soul?

1. **The Crown Or Coronal Seat** - Is Located On The Top Of The Head. It Lies On Or Above The Pineal Gland. It Radiates Outward To Cover The Entire Head.

2. **Brow Or Frontal Seat** - Is Located In The Space Between The Eyebrows. It Lies On Or Above The Pituitary Gland.

3. **Throat Or Laryngeal Seat** - Is Located At The Front. It Lies On Or Above The Thyroid Gland In The Throat, And Extends To Embrace The Medulla Oblongata.

4. **Heart Or Cardiac Seat** - Is Located Above The Heart. It Lies On Or Above The Thymus Gland Between The Shoulder Blades And The Right Auricle Or Pulse Point Of The Heart.

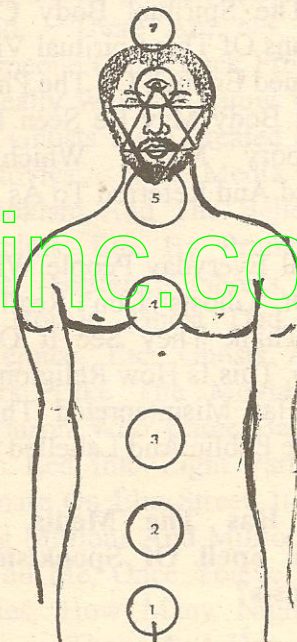

5. **Solar Plexus Seat** - Is Located At The Navel Over The Solar Plexus Area And The Great Lobe Of The Liver.

6. **Spleen Or Navel Seat** - Is Located Over The Spleen. Sometimes Called The Splenic Seat. It

What Is Spirit And Soul?

Lies On Or Above The Navel And Extends To Imbed Some Of Its Roots In The Spleen.

7. **The Root Or Basic Seat** - Is Located At The Base Of The Spine. It Lies On Or Above The Prostrate Area In The Male And Uterus In The Female.

The Seven Seats In Man

What Is Spirit And Soul?

Although **THE BARATHARY GLAND** Has Been Removed People Still Get Visions And That's Because Even Though The Physical **BARATHARY GLAND** Is Not Present, The Etheric Counterpart Is.

Ordinarily, The Spiritual Body Can Be Seen Only By Means Of This Spiritual Vision, Yet To Men Disciplined Enough On The Physical Plane, The Spiritual Body May Be Seen In The Form Of A Vapory Matter Which Is Often Misinterpreted And Referred To As A "Ghost".

Those Normal Everyday People Who Say They See Beings Or "Ghosts" Don't Really See Them, They Only Think They See It Or They Are Making It Up. This Is How Religion Along With The Media Has Misintepreted This Vaporous Matter To The Public And Labelled It "**Ghost**".

Ques: How Has The Media Helped To Enforce The Spell Of Spookism And The Belief In Ghosts?

Ans: Ghosts Are Created. You Would Not Have Ever Thought That A Breeze Or Creaky

What Is Spirit And Soul?

Building, Or Shadow, Or Reflection Was A Spirit Or A Ghost If It Were Not Placed In Your Mind From The Media Because 99% Of The Population Has Never Seen One. You Would Have Naturally Thought It Was The Wind Blowing A Door, Or The Building Shifting, Or Fog Resulting From Warm Moist Air Over The Cold Ground. There Are No Actual Facts Showing Someone Came Back From The Dead. So If You Really Want To Know Where Ghosts Came From, Ghosts Were Created In Hollywood For The Movies. The Media Has Helped Enforce Spookism And The Belief In Ghosts, Spooks, Goblins, Etc. By Promoting Movies Like Ghost Busters, Ghosts, Poltergeist, Amittyville Horror, Ghost Dad, Friday The 13Th, Beetlejuice, Etc: Ghosts Are The Big Moneymakers; Like The Movie Friday The 13Th With Jason Who Came Back From The Dead Which Led Into Eight Parts. The Same With Nightmare On Elm Street, It Went To Six Parts Making Millions And Millions Of Dollars. Now You Tell Me, Once You've Seen Any Of These Movies, How Many Nightmares Have You Had Since Then, And How Many Ghost And Demons Have You Seen Since Then?

What Is Spirit And Soul?

Now They Have You, There's Also The Children. Some Of You Won't Allow Your Child To Watch Those Scary Movies, But You Will Allow Them To Watch Cartoons. They Can Watch Cartoons Like "**Casper**" Because He's A Friendly Ghost, "**Scooby Doo**" Who Is A Dingy Dog Who Always Has Some Ghost Coming After Him. Now Tell Me Again How Many Nightmares And Ghost Have Your Child Seen Since Then? In The Minds Of Children They Believe Things Like These Come True, To The Point Where People Believe That They Actually See It.

These Are What Help Place A Certain "Spooky" Mentality In Their Minds At A Very Young Age. And We Can't Forget The Television Series Such As The Ghost And Mrs. Muir, Topper, Etc. Although These Movies Appeared To Be Nice And Wholesome, They Have Succeeded In Upholding The Ghost Image That Will Still Help Benefit The Media Financially In The Longrun.

Another Reason For This Fallacy Is From People Who Are Afraid To Die. They Are The Ones

What Is Spirit And Soul?

Who Really Created The Ghosts. This Gives Them Something To Hold On To. It Also Gives Them A Way To Think They'll Be Able To Come Back To The Physical World Because They Refuse To Let Go And Move On. And Yes, Your Religious Leaders Have Also Aided In Creating Your Ghosts And Demons; The Popes, Imams, Preachers, Rabbis, Etc. Ghosts Don't Only Extend As Far As Movies, When Those Sunday Evangelists Programs Come On T.V. People Claim To Be Filled With A Ghost Called "**The Holy Ghost**" And Throw Themselves To The Floor. This Is Spookism.

Ques: What Are Ghost?

Ans: When Seen With The Spiritual Eye, Ghost Looks Like Haze Or Fog, And This Means That Ghost Is Pale And Thereby The Last Stage Of Color.

Actually Ghosts Are Conscious Gases Which Has Less Various Gases In It Than Six Ether, Which Is Less Than 9 Ether; And Nine Ether Is A Combination Of All Existing Gases Of Nature. Nine Ether Is Agreeable Eloheem

Anunnaqi From The 7th Star Constellation Of Pleiades, And Six Ether Is Disagreeable Eloheem Anunnaqi From The 6th Star Constellation Orion Spoken Of In **Job 38:31** And I Quote: *"Canst Thou Find The Sweet Influences Of **Pleiades**, Or Loose The Bands Of **Orion**."* Both Are Called The Sons Of Eloheem Anunnaqi (Job 1:6-7).

Some People's Minds Are Activated By Six Ether And Ghost And Are Foolishly Provoked To Do Disagreeable Acts That Shed Blood So That Six Ether And Ghost Will Have Innocent Blood To Subsist On, Which Will Aid These Two Spirit Forces In Getting Stronger In The Atmosphere.

Since Nine Ether Becomes Six Ether Through Time And Age And Is Nine Ether In Death; Six Ether Also Becomes Ghost Through Time And Age And Is Ghost In Death. Therefore, Ghost Is The Death Of Death. When Six Ether Reaches Its Climax In Evolution, It Produces Ghost, And Ghost Is God.

Ques: Why Is God Referred To As Ghost?

Ans: Because The Etymological Or Original Meaning Of The Word "**God**" Is "**Ghost**", And Ghost Is Death As I Said Before. The English Dictionary Meanings Of Words Are Not The Original Meaning, And The Word "**God**" Is An Example. This Word "**God**" Was Made Strong Through Belief And Deception. Ghost Is God Of The Dead, Either Mental And Physical. And As Previously Stated The Word "**Ghost**" Means Gas, Which Is The Gas Of Death. The First Manifestation Of Ghost Started With Cain Killing Abel, And It Has Been Manifesting Itself Through Killing And Death Ever Since As Evidence Through The Bible And Its History And When Reading The Stories Of The Bible, They Are About:

1. **MURDER** (*Judges 3:31 "...Shamgar The Son Of Anath, Which Slew Of The Philistines Six Hundred Men..."*),

2. **WAR** (*Genesis 14:2 "That These Men War With Bera King Of Sodom"*),

3. **RAPE** (Genesis 34:2 "...Shechem The Son Of Hamore The Hivite, Prince Of The Country, Saw Her, He Took Her, And Lay With Her, And Defiled Her"),

4. **INCEST** (2 Samuel 13:2,14 "... And Amnon Was So Vexed That He Fell Sick For His Sister Tamar...Forced Her, And Lay With Her"),

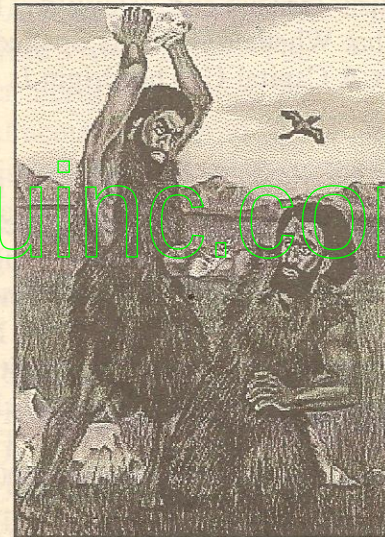

5. **LIES** (John 20:17 "...I Am Not Yet Ascended To My Father, But Go To My Brethern, And Say Unto Them I Ascend Unto My Father..."),

6. **DECEPTION** (Genesis 27:12 "My Father Peradventure Will Feel Me, And I Shall Seem To Him As A Deceiver..."),

7. **PROSTITUTION** (Hosea 2:5 "...Their Mother Hath Played The Harlot...Said, I Will Go To My Lovers, That Give Me My Bread And My Water, My Wool And My Flax, Mine Oil And My Drink."),

8. **BETRAYAL** "Matthew 10:4 ("Simon The Cananite, And Judas Iscariot, Who Also Betrayed Him.")

9. And **FAVORITISM** (Matthew 15:24 "... I Am Sent But Unto The Lost Sheep Of The House Of Israel").

Cain Killing Abel

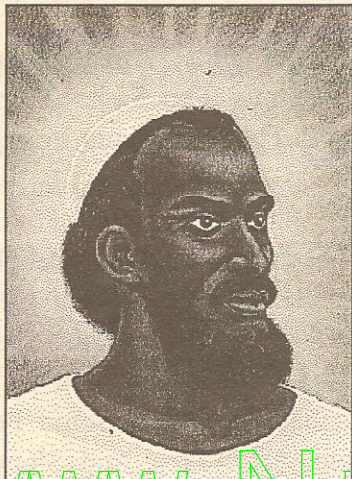

The English Bible Is The Manifestation Of Leviathan, Six Ether And Ghost And Leviathan (Six Ether Fire) Produces Ghost. This Overstanding Of **Ghost** Or **God** Is Only Relayed In This Section. When The Word God Is Used In These Pamphlets, It Is Not Being Referred To As Ghost. The Word "**God**" Is Being Used According To Your Overstanding Of God From Your English Translations. However, Do Keep In Mind That Whether "**God**" Is Spelled With A Small **g** Or A Capital **G**, The Origin Is Still The Same.

Ghostation Or Tertiary Creation Was Done By God (Ghost) 6 Thousand (6,000) Years Ago. This Is The Reason You Were Taught That So-Called God Created The World And Man 6 Thousand Years Ago, But You Were Not Told That This Meant Disagreeable Spirit Forces. The Spirituality Of Their God Is Religion, Which Is What Has Kept You Under This Spell Called Kingu For Six Thousand (6,000) Years. Where Do You Think The Word Gospel Came From -- Ghost Spell Or Spell Of The Ghost, Which Is The Same As Spell Of God.

Ques: Are The Ghost Apparitions Seen By People In Visions The Same Thing As The "Holy Ghost" That Religious People Receive In Church?

Ans: No, They Are Not. Some People Who See Visions Are Actual Beings That Can Get Into Your Head And Make You See Him In Whatever Form He Wants You To See Him, Like Hallucinations. And Some People Who Have Visions Are Taken And Shown Like In The Case Of John Of Zebedee In The Book Of Revelation And Ezekiel As Previously Mentioned. In Fact, John Son Of Zebedee Says He Was Able To Leave The Material Plane (Earth) Spiritually And Physically When He Was In Patmos As Stated In **Revelation 1:10** And I Quote: "**I Was In The Spirit** On The Lord's Day, And Heard Behind Me A Great Voice, As Of A Trumpet."

What Is Spirit And Soul?

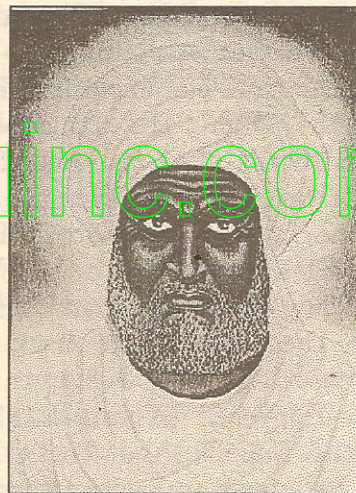

John Of Zebedee

Most Translators Say This Word Is "**Spirit**", But The Word **Ruw** (روح) Found In The Original Syriac Arabic Means "**Soul**". Many People Refer To This Spiritual Body As A Ghost Which Is A Being Lost, Trapped And Wandering Between Dimensions; But A "**Spiritual Body**" Has A Destination, Just As John Son Of Zebedee Had A Destination. He Traveled A Pathway Prepared For Him From One Plane To Another. Ordinarily, Spiritual Bodies Go Unseen When

What Is Spirit And Soul?

Visiting The Material Plane. But Under Certain Conditions They May Take On The Resemblance Of A Vapory Form Of Matter And Become Visible To The Physical Eye Which Is Why So Many People Associate Them With Ghosts. In **Koran 17:1** Muhammad Ascended. However, He Went Up As A Physical Being. This Incident Is Known By Muhammadans As Al Israa'a (The Ascension).

Muhammad
Son Of Abdullat And Amina

What Is Spirit And Soul?

Many People Have Claimed To Have Seen Spirits Which Are Known As **Exoplasma**. Some Even Claim To Have Recorded Them On Film In Cameras, But As Of Yet, No Mass Amount Of People Has Ever Sat Down And Conversated With A Spirit Being From The Other Side. And If People Overstood That The Hippocampus Area Of The Brain Creates Hallucinations, This Would Eliminate Most Of The Apparitions Seen Which Comes From Images Stored In Your Subconscious. But According To The Old Testament, The New Testament And Koran, The Hindu Faith And The Buddhist Faith, Disembodied Souls Do Exist And There Is A So-Called Heaven Where People Go Once They're Dead To Whatever Name They Call It, But None Has Come Back To Verify Its Existence. They Can't Say That Jesus Of 2,000 Years Ago Died And Came Back (**Matthew 28:2**), Because It Is Now A Proven Fact That This Never Happened (**Koran 4:157**). These Are Religious Beliefs. And That's Just What They Are Beliefs, Not Facts. Because Beliefs Without Facts Is Ignorance.

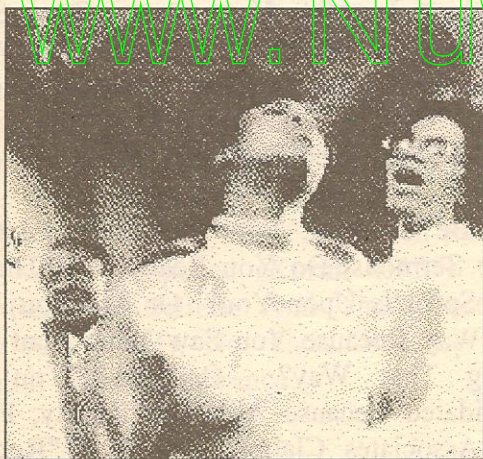

What Is Spirit And Soul?

Now As Far As When People Say They Received The Holy Ghost The First Thing That Pops Into Your Mind Is A Ghost Like Image Invading Their Body Making Them Perform All Kinds Of Acrobatic Stunts In The Middle Of Church Service. In Most Cases It's Just A Part Of The Church Sermon After Everyone Is Clapping, And The Preacher Has Worked Up A Good Sweat. Then The Members Are Called On To **"Receive The Holy Spirit Or The Holy Ghost"**. Ms. Maxine Or Sister Gladys Starts The Performance; One Of Them Falls Out The Chair And Starts Jumping Around Like Something Is After Her. Pretty Soon She Is Muttering And Blubbering, Mumbo-Jumbo And Brother Henry Is On The Scene Patting Her Hand While The Reverend Is Translating Saying She Has **"Received The Holy Ghost"**.

Now Be Truthful. For Those Who Attended These Sermons, Do You Really Feel That The Holy Spirit Is Upon You? Or Are You Acting That Way Because You Saw Your Aunt Millie Acting That Way? Or Have You Been Intimidated Because All Your Family, Friends And Associates Claimed To Have **"Received"**

What Is Spirit And Soul?

The Holy Spirit" And You Felt Left Out Because You Haven't? Most Of The People Are Made To Feel Inferior This Way Or They Haven't Been Cleansed Of Their Sins, And This Is How The Lie Is Perpetuated. There Are People In The Pentecostal Churches Who Are Really Possessed Of A Spirit Though (**Refer To What Is Speaking In Tongues?, Scroll #95**). These Are The Ones You See Who Have Obviously Lost Control. They Are Thrown Out Of Their Chair, Foaming At The Mouth, Falling On The Ground, Jumping, Punching, Kicking And Going Through Contortions.

What Is Spirit And Soul?

People In Haiti, Africa, And Parts Of South America Worship Saints And Evil Spirits. They, Too, Go Through These "Fits" When Their Worship Is At Its Peak. Music Also Plays A Very Important Part Of Their Worship. It Is The Basis For The Summoning Of These Spirits. These People Become Possessed Of A Spirit But It's Not A Holy Spirit. People Such As The Pentecostals Draw Themselves To The Evil Spirits That Have Been Loose Upon The World For Centuries. They Play The Same Music That The Voodoo Ritualists Listen To Which Opens Them Up To Receive The Same Unholy Spirits.

Ques: Can Children Be Possessed At Birth?

Ans: Yes, When A Child Is Born Spirits May Possess His Or Her Body, But Those Spirits Existed Ever Since Creation. The Spirits That Possess The Person May Be **Tobe** (טוב) (Agreeable) Or **Ra'a** (רע) (Disagreeable) Both Called **ELOHEEM** Or Angelic Beings Or **ANUNNAQI**. This Depends On The Person's Environment And The Moment Of Time Of The Birth Under Which The Individual Was Born. Moreover, The Seed From Which The Child

What Is Spirit And Soul?

Sprang Is A Major Factor On Determining His Or Her Pattern Of Life. Spirits Being **ELOHEEM ANUNNAQI** Will Most Likely Take A Liking To A Person With A Nature Most Relative To Theirs, Unless They Wish To Torment Someone's Mind. Spirits Can Give False Impressions Or True Ones -- This Depends Upon The Nature Of The Spirits Possessing The Person. Therefore, In Addition To Proof, Sound Reason (Instead Of Spirits Or Spirit Dreams) Is The Best Criterion For Determining What Is True Or False. To Be Able To Make These Determinations Is Why People By Nature, Were Given The Ability To Reason, Called "Will" Or Self-Determination.

Spirits (Like People) Have Laws Of Their Own And Those Laws Are Binding By Nature. Since Spirits Are Conscious Gas Forces, They Can Enter A Person At Will And Leave At Will, So Long As The Entering And Leaving Are According To The Laws And Codes By Which They Exist. The Fortune Or Misfortune (The Fate Of A Person) Largely Depends Upon The Spirit Forces That Accompany Him Or Her And The Seed From Which The Person Sprang.

What Is Spirit And Soul?

Spirit Or Spirits That Take Permanent Leave From The Person's Lifeless Body Are Not The Individual's Soul Or Life, Because They Existed Long Before The Birth Of The Person And They Cannot Keep The Person Alive If The Burning Stops, That Is If The Person Stops Breathing. The Burning Is What's Keeping The Person Alive, And Light From The Burning Transmitted To The Brain Is What Keeps The Person Conscious.

Ques: Is This Light The Same Thing As Your Aura?

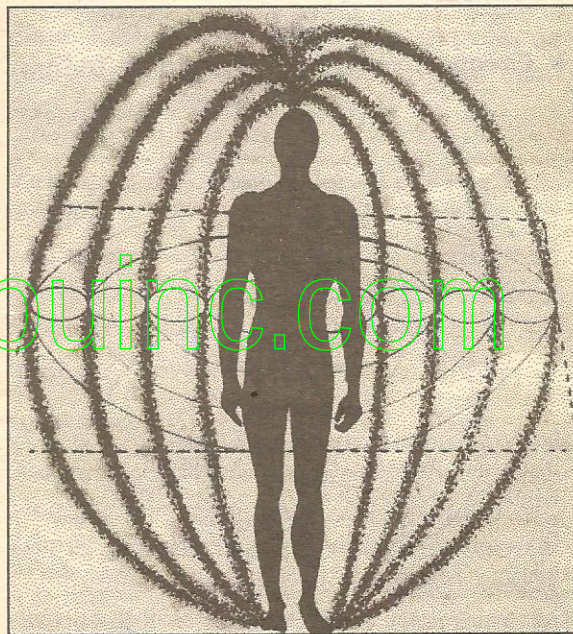

Ans: Two Currents Of Energy Which Flow Through Man Creating This Magnetic Field Called The **Haalat Or- Aura** Are A Part Of Earth's Magnetic Field In Which It Moves Independently. These Fields Are Composed Of Negative And Positive Vibrating Energies Or Forces. Man's Haalat Contains His Spirit, Soul, And Physical Form.

Energy Forces That Surround The Body

The **Haalat** (The Life Force Of The Body) May Be Looked Upon As The Atmosphere Of The Body Because It Reflects The "Real" Vital Body, Mental Mood, Health And Character. These

Different Layers Or Moods Are Reflected In Color, Which May Appear Cloud-Like Or Bright And Clear According To The Mood It Is Reflecting. Everyone Is Not Able To See The Haalat, Only Those Who Are Highly Spiritual.

The Haalat

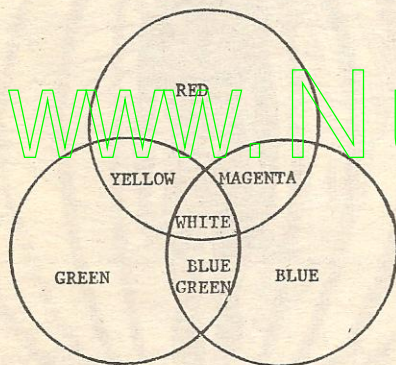

What Is Spirit And Soul?

The Three Basic Colors Of The Haalat Are:

1. Red
2. Blue
3. Yellow

From These Three Colors, The Second Colors Are Formed:

1. Green
2. Orange
3. Purple
4. Indigo

Combination Of The Colors Of Light

What Is Spirit And Soul?

The Meaning Of The Colors

Red Is A Color That Projects Or Encourages Desire And Evil. It Depicts Anger And Bloodshed.

Blue Reflects A Highly Spiritual Mood And The Virtuous Qualities Of Man Such As: Devotion, Faith And Peity

Yellow Is The Color That Reflects Intellect Or A Total State Of Consciousness. It Shows The Intellect Of A Person. Yellow Encourages Reason, Judgement, Analysis, Or The Use Of Logical Mental Activity.

Green Dealing With Light Is A Most Divine Mood. It Is A Combination Of The Moods That Blue And Yellow Reflect, Which Is Reflected From The Heavens Of The Mental Plane. Green Like White, Is A Healing Force, Except The Green Light Is Much More Powerful And A More Purified Force.

What Is Spirit And Soul?

Black Black Is Not A Color, But A Supreme State Of Mind. Black Is Supreme Balance And Is The Total Absence Of Moods And Colors. It Is The Absence Of All Balance.

White Is A State Of Purity Of Mind And Soul. White Does Not Project A Mood, But A Force, One Of The Healing Forces. The White Light, Or Force Is Projected From Angelic Beings, Who Are Placed As Guardians Over Men.

Grey Is A Negative Color, Projecting A Totally Negative Mood. It Is A Force Combination Of Black And White. Because They Are Two Complete Individual States, Neither Lacking, They Remain In Constant Battle. People With Grey Aura Are Compelled Toward Depression, Pessimism And Malice.

Brown Is Another Negative Color, Whether It Be A Light Shade Or A Deep Murky Brown. It Projects A Mood Of Greed And Desire For Material Gain. This

What Is Spirit And Soul?

Is Because Brown Is A Combination Of Green And Red.

As I Said Before, Everything Vibrates, Which Manifests Itself In Different Moods And Schemes And These Same Moods Make Up What Is Known As Planes.

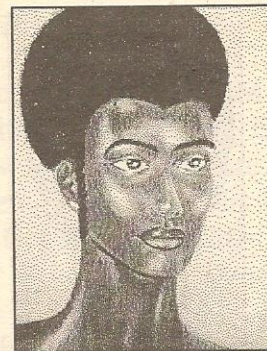

Ques: What Is The Difference Between Spirit And Soul?

Ans: The Spirit And The Soul Can Be Likened To An Egg. When The Egg Is First Laid It Is Soft But When The Oxygen Hits It, It Hardens, Thus You Have The Formation Of The Spirit Soul And Mind

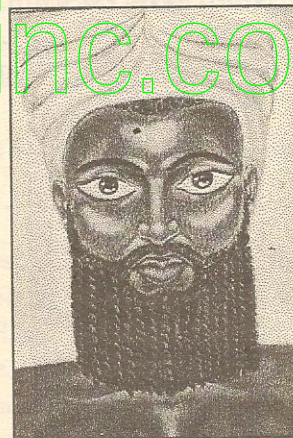

The Spirit Is Nothing But The Self And The Soul Is Nothing But The Essence Of You.

In Order To Overstand The Difference Between Spirit And Soul, You Must Overstand How Man Was Created. First Of All You Are A Combination Of Different Parts Of The Universe. It Is Your Intellect That Is Divine, Your Body Is What Goes Back To The Earth

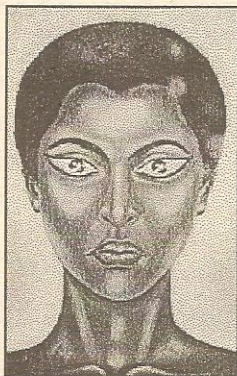

And Becomes Fertilizer. Your Body Is A Composition Of An Evolutionary Process When They Relocated The Cells From Different Galaxies To Live And Germinate On Earth. The Body Was Formed From The Right Conditions That Create Bacteria. It Took 600 Years Of Genetic Grafting To Make Man When He Was A Genus **Homo** (An Apeman). Then Man Evoluted To **Homo Erectus**, And The **ELOHEEM ANUNNAQI** Came Down And Injected Their Intellect, Hence Man Began To Think. **NINTI** The Wife Of **ENLIL** Who Was The Son Of **ANU** Took The Egg Of An Apewoman And Fertilized It With Purified "Essence" Which Is Called The **SHIRU** (Blood), Later Known As The Flesh Of A Male **ANUNNAQI**. They Then Took The **TEEMA** Of Ninti's Blood, Called The Personality (Which Is Equivalent To The DNA's And RNA's) And **QISRU** (Semen) And Perfected It, Then Implanted It Into **NINQI**, The Wife Of **ENQI**, Who Was Also The Son Of **ANU**..

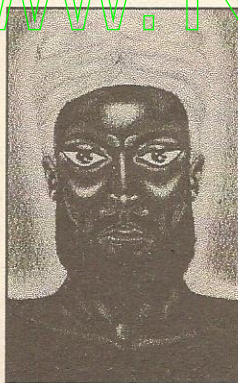

Ninti The Wife Of Enlil

Enlil Son Of Anu

Ninqi Wife Of Enqi

Enqi Son Of Anu

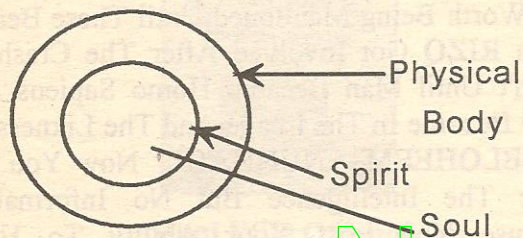

This Sped Up The Evolutionary Process Which Would Have Otherwise Taken 1,000 Years To Evolve. Once The **ELOHEEM ANUNNAQI** Mixed In With Humans **THE BARATHARY GLAND** Grew Naturally. Before This Man Was Not Worth Being Mentioned Until These Beings From **RIZQ** Got Involved After The Crash. It Wasn't Until Man Became Homo Sapiens Did They Become In The Image And The Likeness Of The **ELOHEEM ANUNNAQI**. Now You All Have The Intelligence But No Information Because You Lost Your Ability To Have Random Access To Them When Your **BARATHARY GLAND** Was Removed.

Ques: What Is Spirit And Soul In Relation To Man?

Ans: In Respect To The Man, His Spirit Is The Shell For The Soul From Which The Emotional Body And The Ability To Respond Emotionally Stems. The Spirit Is The Life Body, The Soul Is The Emotional Body That Makes Man Responsible And Concerned. The Divine Body And Mentality Of A Person Is The Soul. Your

What Is Spirit And Soul?

Soul, If You Do Not Sell It To The Devil, Lives On. You Need Your Soul To Get To The Next Realm.

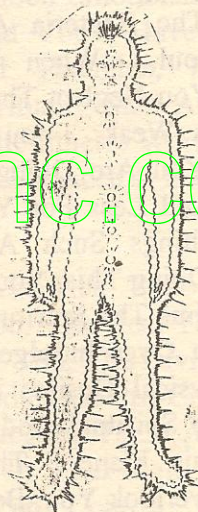

Your Self Is Made Up Of Three Things: **The Soul, The Spirit And The Body.** The Spirit (Nafs, نفوس) Is The Skin Of The Soul, If This Is Kept Healthy You Can Live On Consciously If Not, It Wears Away And You Are Left With Only The Soul Which Goes Back Into The Wind (Ruwh, روح). The Soul Is The Etheric Body Or Essence Which Connects The Mind Or Mental Flow To The Spiritual World; Once That Mental Flow Is Cut Then The Etheric World Is Cut Off.

What Is Spirit And Soul?

Ques: What Is The Etheric Body?

Ans: Ether Is A Combination Of All Existing Gases Of Nature. Your Etheric Body Is Energy And Is Equivalent To What You Call Spiritual Beings.

The Etheric Body

What Is Spirit And Soul?

You Have An Electrical Field That Constantly Comes Into Your Body. The Elders Cannot See You If Your Light Is Dim, They Don't See Your Etheric Body. Powerfully And Spiritually As An Etheric Being You Will Live On [Prana (Haya)] No Hunger, No Grief, Etc. The Physical Body Is A Composition Of Bacteria Of Which When You Die Will Turn Back To Dust. The Physical Is Plaguing Your Soul. What Man Does Is Feed The Bacteria As Opposed To Feeding The Soul. When You Feed The Physical Body, You Neglect The Spiritual Body And It Becomes Weak. You Do So By An Improper Diet. You Are Doing More For The Physical Body And Less For Your Soul When You Neglect Things Such As Fasting And Meditating. By Doing This, You Strengthen The Physical Body Thus The Spiritual Body Has No Growth. If You Over Indulge By Too Much Eating, And Physical Desires For Your Body And Abuse Your Spiritual Body, You Become Attached To This Plane. The **ETHERIAN BEINGS** Will Overlook You, Because They Are Looking For Your Ether, Whether You Will Be Able To Go To The Next Level. When You Were Born In This World, Doctors Were Here

What Is Spirit And Soul?

To Help Bring You In. Like Wise The **ETHERIANS** Do The Same Thing On The Other Side.

Ques: So If You Are An Emotional Person, How Will That Effect Your Soul?

Ans: The Soul Is Also The Emotional Body. So If You Have A Good Emotional Body, You Feed Your Spirit, And You'll Have A Good Spirit. Negativity, Bad Thoughts, Depression, Etc. Makes You Spiritually Sick And Your Soul Is Cut Off From The Etheric World. When You're Emotionally Off Balanced It Is Because You Are Too Physical.

You Must Realize That Your Physical Self Is Not The Real You. The Real You Is Inside. The Soul Is The Real You; The Divine In You Which Is From The Gods That Pro-Created You. This Is Why It Says In **John 10:34** And I Quote: "...Is It Not Written In Your Law, I Said, Ye Are Gods?" You Can Control The Outer You Because You Can Move Your Arms, Legs, Etc. But There Is Something Greater That Controls Your Heart Beat, Digestive System, Blinking

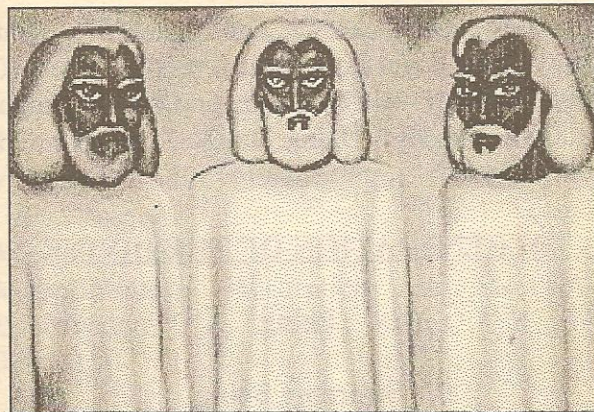

What Is Spirit And Soul?

You. That's Another Part Of The Real You. When You Stare At Yourself For A Long Time In The Mirror You See Your Face Beginning To Change, That's You That You're Looking At, It's The Inner You. And It Will Tell The Truth. It Will Tell You *"This Is Wrong"* Or *"Cut The Bull"*. When You Feel Yourself Fighting Inside, That Means There Is A Battle Going On Between 180% Of Agreeable And 180% Of Disagreeable (To Do Agreeable Or Disagreeable Things) And Only One Must Prevail. This Is His Will Power Enabling Man To Make His Own Decisions, Therefore Making Him Responsible For His Own Actions.

Ques: Who Are These Etheric Beings That Will Take Us To The Next Level?

Ans: They Are What You Call Guardians Or Guardian Angels, From The Planet Rizq (Refer To Man From Rizq). Rizq Is The 8Th Planet From The 19Th Galaxy Called Illyuwn. They Are 7 Feet Tall With Silver Looking Hair, Dark Reddish Brown Skin Color And Large Black Eyes, Very Similiar To Human Beings. They Are The Providers And They Police The Universe In Respect, As Far As Being Responsible For Livingthings. And Keeping The Universe In Balance As It Expands.

No One Came Here To Help You Until Centuries After Your Birth That They Took A Personal Concern In You And That Was **NINTI**, The Wife Of **ENLIL**, The Son Of **ANU**. That's Why You Call Her **MAMMI**. However, They Are Only Interested In A Few, Hard Working Group Of 144,000, Only If You Prove Yourself. They See You As The Most Backward, Egotistical,

Same As The Latin Word Homo-Sapien Which Describes The Nature Of A Being. A Submissive Being Is A Being That Is Solely Submissive To The Laws Of Nature Such As Voluntary And Involuntary Functions Like:

Appropriation - (Eating And Digestion),
Assimilation - (Absorption And Use) And
Elimination - (Body Wastes And Food Debris).

Human - Physical Composition, What He Is, His Nature.

Man - This Is Where You Start To Regress To Just A Warm Blooded Animal (Mammal).

If You Get The Gift Of Divinity Back You Will Be Alright, But Until Then, You Don't Know Anything, Because Something Is Missing. Even With What You Know, You Still Don't Know Anything Compared To The Universe.

Ques: Is The Inner Self The Same Thing As The Soul?

What Is Spirit And Soul?

Ans: No, The Inner Self Would Be What Is Referred To As The In-Dwelling Spirit That Is The Part Of You That Speaks To You When You Are About To Make A Decision. It Is A Part Of Your Personality That Works Upon Your Emotions, And Your Morals, And Even Your Cruelness. The Inner Self Argues With The Actions To Be Performed With The Outer Self.

Ques: What Is Your Subconscious?

Ans: Your Subconscious Is Your Personal Bank. The Very Word Subconscious Is Self Explanatory, The Word Sub - Means Beneath, And Conscious Means Alert, Awoke And Aware. Everything That Happens Outside Of The Human Body Of An Individual Is Stored In A Hologramic Picture With Sound And Color In The Form Of Undeveloped Negatives In A File In The Subconscious. When One Has To Remember Or Recall Something, They Reach Into This File And Develop One Of These Undeveloped Negatives Into A Full Color And Sound Hologramic Picture And We Call It Simply Memory. Once The Subconscious Fails

And Sometimes The Brain Will Actually Have Two Negatives Overlaid So You Remember The Incident But Not The Person Or People Involved Or You Remember The Person But Not The Face. Or A Total Lapse And Forget The Whole Incident.

Ques: Are Spirits Souls?

Ans: Spirits Are Not Ones Soul Or Life But The Factors That Determine What Course That Person's Life Will Take And The Length Of His Or Her Life. On The Contrary, Spirits Are Not People's Lives (The Burning Proves This) But People May Be The Lives Of Spirits, And Nature, The Life Of All Visible And Invisible. People Are The Lives Of Spirits Because, At The Death Of A Person, Spirits Possessing That Person Must Transmigrate To Something Or Someone Else In Order To Stay Alive, For They Must Keep Subsisting (Feeding) On The Substance Of Something Or Someone's Blood.

Ques: Do Caucasians Have Soul?

Ans: Although People May Look At This As A Racial Question. This Is A Good Point, Because For Years People Have Made Fun Of The Caucasians Race For Not Having Soul Or Rhythm. However, Once You Surrender Your Sense Of Rythm, Timing, Coordination, Agility, For This New Found Culture You Now See They Have The Ability To Create It. They Can Move Just Like You, Rap Just Like You, And Sing Just Like You. Now You All Are On An Equal Level.

So At One Time It Was Said That Caucasians Don't Have A Soul And Now Nubians Don't Have A Soul. So Now The Two Can Mesh Together.

Ques: Do Caucasians Know They Don't Have Soul?

Ans: Yes, They Know That They Don't Have Soul As Far As Rhythm. When I Would Refer To Caucasians As Having No Soul What Would I Say? I Would Say They Have No Rhythm,

They Can't Dance. But The Idea Of Rhythm Is Dying Because Of The New Generation. You Will Find Many Stars Were Taught To Dance With Hours And Hours Of Hard Training Because They Did Not Have Natural Rhythm And Coordination. Shirley Temple, Fred Astaire, Etc. Were All Taught By Bojangles, Who Was A Real Person. In Fact, He Was A Well Known Tap Dancer Back In The 1930's. No Matter How Much They Practice On T.V. You Can Still See The Difference In Rhythm And Soul When Lucille Ball And Desi Arnez Dance Together. That's Why They Never Danced That Much Together. Most Times You'll Find Lucy Usually Dances With A Band Member Who Was Not Latino. Each Generation Of Time Had Its Own Rhythm, That Is Why There Is A Different Style Of Rhythm For Motown, For Latino, For Afrocentric American, Etc. With Each Generation - Blacks Become Further Away. The Old Sense Of Rhythm That Your Grandparents Knew Is Dying. You Are Losing Your Contact, And Sound For Your Brain To Trigger With The Universe, Therefore You Get Further Towards Becoming A Melting Pot.

What Is Spirit And Soul?

So Basically What Has Happened Is That This Generation Has Given That Up. The Kids Of Today As You Can See In The Schools Don't Know Anything About Sumer, Their Immediate Past Or Even As Far Back As Ancient Egypt Which Is In Africa. They Barely Know About Their Past In America And The Sad Thing About It Is That They Are Not Interested In Knowing About It Nor Are Their Parents Interested In Teaching Them About Their Past.

Ques: Do Animals Have A Soul?

Ans: Animals Appear To Show Emotions For One Another Yet They Don't Sit Down And Write Letters. This Is Because They're Acting On Pure Animal Instinct. They Treat You Nice When There's Something In It For Them. That's Survival! There Is A Big Difference Between Instinct And Survival. Your Cat Or Dog Doesn't Really Love You. Just Stop Feeding Them For A Week And See What They'll Do To You, They'll Eat You.

We Tend To Forget That Humans Are Animals Also. When You Were Only A Few Weeks In

What Is Spirit And Soul?

The Womb You Had Gills And A Coccyxs (Tail) And Looked Like A Tadpole. The First Stages Of Life Was Your Evolution Out Of Water Then To Man Which Is Why We Still Have Our Webs Between Our Fingers And Scales (Which We Call Ash When Our Skin Becomes Dry From Lack Of Our Bodies Being In Water). Those Who Breast Feed Their Babies Are Warm Blooded Animals Or Amphibians; And Those Who Chose To Bottle Feed Are Cold Blooded Or Reptilians. **Amphibian:** Literally Means "*Two Lives*". Amphibians Spend Part Of Their Lives In Water, Breathing By Gills. After A Time, They Usually Develop Lungs And Go Out On Land. The Body Temperature Of The Animal Remains Constant Even If The Temperature Of Its Surroundings Change.

Ques: Are There Human Reptilians?

Ans: Yes, But Only The Elite Of The **Reptilian** Called **Dracos** Can Take On Human Form And Have Bred Children That Reside With You. They Are Everywhere, And Can Go Anywhere And Exist In All Galaxies And Universes. They Are Like The Klingons In The Movie Star Trek,

You Can't Reason With Them, They Are Cocky And Trouble Makers.

Reptiles: A Class Of Vertebrates That Consist Of Snakes, Lizards, Turtles, Alligators And Crocodiles. Their Body Temperature Changes With The Temperature Of Their Surroundings. As Cold-Blooded Animals They're Emotionless, Acting Without Consideration, Their Body Temperature Isn't Internally Regulated, It's Controlled By The Environment. This Is Why The ZUEN Or ANZU Who Was Iblis, Shaytaan, Ha-Satan, Drago, Nakhsh, Khanaas, Diabolo Was Called A Serpent In *Genesis 3:1* Because He Was A Cold Blooded Reptilian Who Came To Hawwah In GAN The Enclosed Garden. And I Quote: *"Now The Serpent Was More Subtle Than Any Beast Of The Field..."*. This Reptilian Came To Inform This Newly Created Being That The ELOHEEM KAL-KA-EL Had Lied When He Told Them That They Would Instantly Die If They Ate Of The Fruit. So He Was Called Rebellious Because He Disagreed With The Other ELOHEEM ANUNNAQI About Their Purpose For Creating Man, A Reptile Loses

Ques: Have People Of The Physical World Been Able To Leave And Enter The Spiritual World?

Ans: Yes, What You Call Being Able To Leave And Enter The Spiritual World Is Just Transforming From One State To Another. In The 24Th Chapter Of Genesis It States That Enoch Son Of Jared Did Not Die, God Took

What Is Spirit And Soul?

Him And I Quote: **"And Enoch Walked With God And He Was Not; For God Took Him."**

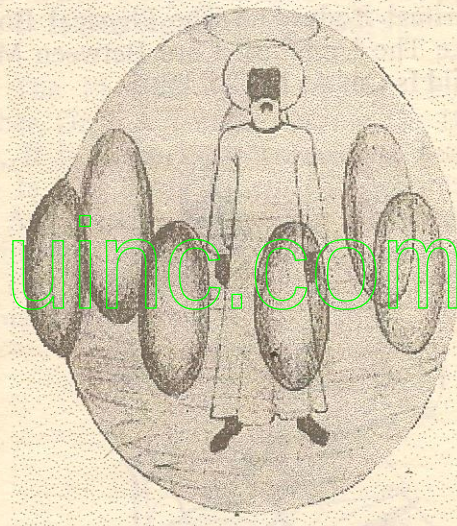

When It Says God Took Him, They Are Talking About Enoch Being Taken To **NIBIRU** And Put Into One Of The Biospheres, Which He Thought Was Paradise. However, He Had To Be Taken To Orion First Because He Could Not Go To Nibiru In That State. Humans Have To Be Put In An Atmosphere Unit As I Said Before. Other Prophets Who Live On **NIBIRU** Are: Moses, Elijah, Ezekiel, John The Baptist. Let's Put It This Way All Of The People Who Are Considered Spiritual Live In **NIBIRU**. There Are Beings From Other Galaxies That Come In And Out Of This Planet All The Time. The **ELOHEEM ANUNNAQI** Actually Have To Clone Themselves To Live On This Planet Because It's Not Conducive To Their Living Standards.

Ques: How Is This Done?

Ans: Again, There Is Nothing Spooky Or Mystical About It. This Is Done Simply By Using The Inner Senses. There Are Two Ways To Ascend From The Physical Plane.

What Is Spirit And Soul?

1. With The Body Raising The Vibrations Of The Physical Body Up To The Level Of The Spirit And Soul. Then Continuing To Raise The Vibrations Until One Can Pass Through The Etheric Cord Freely, Taking The Physical Body With It (**Genesis 5:24**).

2. Leaving The Body And Only Allowing The Spirit And Soul To Ascend.

Ascension To The Spiritual Plane Can Only Be Completed By Those Pure In Heart And

Well-Disciplined. The Etheral Cord Expands Like A Rubber Tube, Allowing The Spirit To Carry The Soul Through It As A Passageway Or Tunnel. No One Can Travel At All Without The Etheric Cord For It Is The Umbilical Cord To The Spirit, And Anything That Has To Do With The Spirit. When One Dies The Cord Between The Spiritual Body And The Physical Body Is Cut; Like The Umbilical Cord Between Mother And Child Is Cut As In Childbirth.

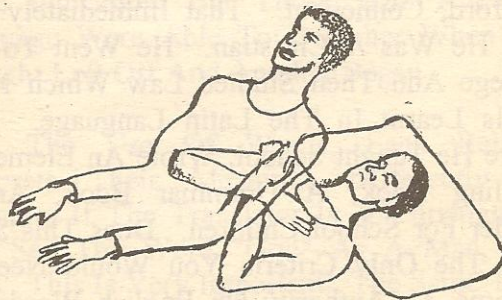

The Etheric Cord Of Man Is Cut At Death

What Is Spirit And Soul?

The Cutting Of The Etheric Cord Introduces The Person To A New And Independent Life Leaving The Physical Body To Return To The Dust And This Is What Is Called Life After Death.

Ques: When People Ascend To The Spiritual Plane Is It During Sleeping Hours?

Ans: The Physical Body Appears To Be In Slumber, Or In A Trance. During The Hours Of Sleep, It Is Quite Easy To Ascend Accidentally. Sleep Is The Time When The Spiritual Body Can Act Freely Upon The Physical Body, Drawing The Spirit And Soul Upward. Sleep Is Also The Time When One Is Apt To Receive Spiritual Impressions.

In Sleep The Spirit Sometimes Ascends

Ques: Why Is There A Problem With Overstanding The Difference Between The Spirit And The Soul?

Ans: Again, The Problem Of Overstanding The Difference Between Spirit And Soul Stems From The Translator. The Reader Of A Scripture, Dictionary Or Encyclopedia Should Always Ask Who Authored It And Then Find Out His Religious Background And What Languages He Speaks. Take For Example The Infamous Dictionary Writer Webster Of Webster's Dicitonary. What Is His Background That Makes Him Such A Scholar On Words? Noah Webster, Born 1758- 1843 A.D., Was An American Educator And Journalist Born In West Hartford, Conneticut. That Immediately Tells You He Was A Christian. He Went To Yale College And Then Studied Law Which Means He Is Learnt In The Latin Language. From There He Taught School, Wrote An Elementary Spelling Book, A Grammar Book, And A Reader For School Children. Does This Sound Like The Only Criteria You Would Need To Become An Authority On English Words And Their Origins?

In Many Cases, The Author Of These Reference Books And Scriptures Are Jews Of The Zionist Movement That Is Designed To Purposely Confuse Your Understanding Of The Words Of The Creator And The Vital Information That Is Contained Therein. Bible Translators Confuse The Meaning Of The Words Spirit And Soul Because They Use The Greek And Latin Translations Of The Original Aramaic. Christian Scholars Are Not Familiar With The Original Language Of The Bible Which Was Galilean Arabic (Meaning, Syretic, Aramaic Arabic And Hebrew), They Cannot Grasp The Flow Of One Storyline Into Another Within The Context Of The Scriptures. When The Bible Was Originally Revealed, It Didn't Have Any Verse Indication, But Those Who Knew Its Language Were Able To Decipher When One Thought Left Off And Another Began.

With The Use Of Words, Each Religion Interprets Their Meanings Differently For Example, If The Translator Is A Christian, He May See The Word "God" As A Man, Like Jesus. This Is Very Important. The Same Thing Happens In Islam With Arab Translators Who

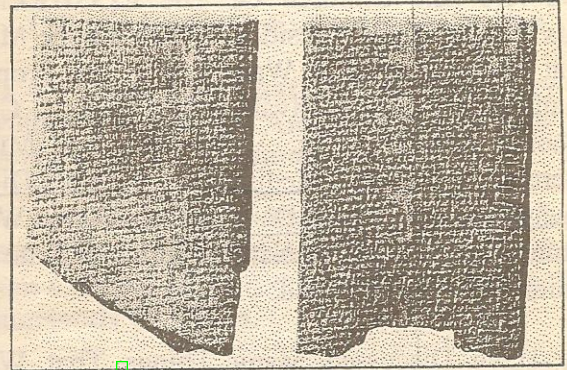

What Is Spirit And Soul?

Oftentimes Place Muhammad In Ranks With Their God, Allah. But What You Must Bear In Mind Is That Muhammad's Teachings Were Based On Christianity. His First Of Thirteen Wives, Khadijah's Uncle Waraqah, Who Was A Christian Taught Him About This Call To Prophethood. Therefore The Muhammadan Definition Of Many Words Is Based On Christian Interpretations And Translations.

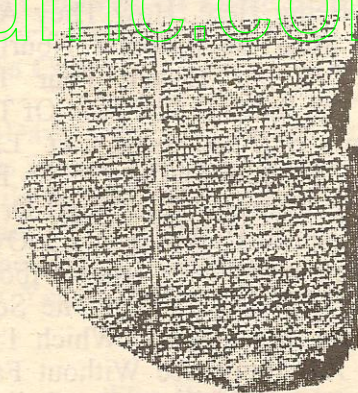

What Further Adds To The Problem Is That These Religious Leaders Do Not Know The Language, So If You Dared To Question Them, They Wouldn't Know The Answer Anyway. Just Think About It. They Tell You Soul Is Spirit And Spirit Is Soul. They Read In The Scriptures Where It Says God And It Really Says Gods Or **ELOHEEM**. They Tell You Heaven Is A Mystical Place When It's Really A Planet In Another Galaxy, And I Can Go On. All This Because They Don't Know Any Other Language Except English And Everyone's Soul Is Based On Writings That Were Fabricated From Original Text Of The Ancient Sumer Tablets Such As **The Enuma Elish, The Atra Hasis, Gilgamesh Epics**, Scrolls, You Know

In Conclusion:

You Are The Children Of The **ELOHEEM**. This Power Which Resides Within Every Man That Lies Dormant Is Waiting For The Proper Channels To Be Activated So That It Can Become Active Again. Therefore You Must Exercise Through Meditation, Proper Diet, Discipline And Certain Daily Rituals Which Will Attune You With Your Natural Supreme State In Which Man Was Created.

We Have Discussed Many Things That Will Help You Overstand **Spirit And Soul** And Your Reasons For Being Here, How They Are Both Needed And Must Be Properly Nourished In Order For You To Reach Your Intended Destination. The Spirit Is The Skin Of The Soul And If Kept Healthy You Can Live On Consciously. The Soul Is The Etheric Body Or Essence Which Connects The Mind Or Mental Flow To The Spiritual World. It's Overstood That Everything You Once Knew About **Soul** And **Spirit** Was Based Around The Scriptures And Your Religious Beliefs, Which I've Said Many Times Are Ignorance Without Facts. To Know, Gives One Confidence, But Belief Infers

Doubt. Knowledge Can Be Checked Out By One Or More Of Three Tests:

1. Experience 2. Evidence 3. Reason

It's A Proven Fact That Man Is A Product Of Evolution From An Amoebae To A Fish To An Apeman To A Homo Sapien.

It's A Proven Fact That There Are Beings That Existed On Other Galaxies That Have Been Coming In And Out Of This Galaxy For Thousands Of Years.

And It's A Proven Fact That Some Of You Are The Children Of These Beings Who Have An Etheric Attachment That Will Enable Them To Come For You.

Now-A-Days There Are Hundreds Of Findings That Has Been Kept Under Lock And Key That Is Available To The Public. Text Books, Magazines, Videos, Tapes, Documentaries, Etc With The Same Information I've Been Telling You For Years, So Don't Believe Me, Check It Out.
